##	<u>Redmond Way non-motorized crossing near Southeast Redmond Light Rail Station</u>	<u>Redmond Way between WB SR 520 on-ramp and NE 70th St</u>	<u>North side of Redmond Way</u>	<u>South side of Redmond Way</u>	<u>Consistent with the Southeast Redmond Neighborhood Plan, provide a non-motorized crossing of Redmond Way that increases route directness to/from the Southeast Redmond light rail station and minimizes potential conflicts with vehicles.</u>

Amendment to Southeast Redmond Neighborhood Plan

This is unchanged from the 2/15 proposal, keeping the policy language at a high level and adding providing additional detail in the project description.

N-SE-46: Plan for a safe and convenient crossing of Redmond Way near the light rail station area to provide better nonmotorized access to the station from the northeast.
